Welcome to Loyola!

This guide serves as your one stop shop to know where and what is located around the Lake Shore, Water Tower, and Health Science campuses. Inside this guide includes over 700 business listings from tasty restaurants, grocery stores, museums, local shops to health clubs and pharmacies. Also included is information on how to get around the city via public transportation, where to study, and what you can save on by using your Loyola I.D.

**Lake Shore Campus** is Loyola’s main residential campus, it’s located in the Edgewater and Rogers Park neighborhoods on Chicago’s North side. It is situated along the shores of Lake Michigan which makes Loyola one of the most picturesque universities in the Midwest. Edgewater literally hugs the water’s edge, with miles of beaches and green spaces to relax in. Woven in the fabric of the community is a rich mix of cultures highlighted in its global cuisine, specialty grocery stores, and best antique, vintage, and resale shops. Or experience an innovative production at many acclaimed storefront theaters. Rogers Park is one of Chicago’s most diverse neighborhoods, with over 40 different languages spoken. As you might expect, the neighborhood’s dining options are just as diverse. It’s an inviting urban stretch with cobblestone streets, sprawling murals, three award-winning theatres, live music venues, art studios, galleries, and more.

**Water Tower Campus** located next to Chicago’s famed “Magnificent Mile,” Loyola's Water Tower Campus offers invaluable access to locally and nationally recognized Fortune 500 companies. Loyola’s downtown campus has placed students in the heart of the city, offering internships, networking, and career opportunities. It’s high-end boutiques, and restaurants favored by celebrity’s past and present all give this neighborhood its star power.

**Health Science Campus** is located in the village of Maywood, a residential community just west of the Water Tower campus. Loyola’s Health Science campus is home to 980 faculty members and more than 2,200 students enrolled in Stritch School of Medicine, Niehoff School of Nursing, Parkinson School of Health Sciences and Public Health, biomedical programs of The Graduate School, and a health sciences research enterprise. Undergraduates have very limited contact with this campus, but nursing students may be assigned there for clinicals.
Loyola University Chicago’s Guidelines to Campus are focused on the safety, health, and well-being of our community as our top priority. Now more than ever, we are called together to care for ourselves, each other, and the broader community. The policies and protocols in this document are designed to support safety and our mission to provide a first-class, Jesuit, Catholic education that prepares our students to serve humanity through learning, justice, and faith.

**Good Neighbor Policy:** Students are expected to conduct themselves as mature and responsible members of the Chicago and Loyola communities. As such, they are responsible for upholding all federal, state, and city laws and ordinances, especially those relating to noise, traffic, parking, zoning, and consumption of alcohol. In addition, they are expected to foster an atmosphere that nurtures positive educational pursuits, an understanding and tolerance of those with different cultural and political points of view, and an environment that encourages responsible behavior.

All members of the Loyola community, including non-Loyola partners and neighbors, have the right to report alleged student misconduct to the University. All reports will be reviewed by university staff and, where potential violations of the Community Standards are found, staff will follow up on the report.

Student Organizations

Loyola has hundreds of student orgs that give students a chance to engage with their passion and build community.

Student Diversity & Multicultural Affairs (SDMA)

The Department of Student Diversity and Multicultural Affairs (SDMA) advances the recognition and appreciation of our diverse community, promotes multicultural education across campus, strives to ensure the retention and success of underrepresented students, and fosters a supportive, inclusive environment for all students, faculty and staff.

Campus Ministry

Rooted in Loyola’s Catholic identity and Ignatian tradition, Campus Ministry invites students to reflect on their relationships with themselves, God, and others as they discern an ongoing response of commitment, conscience, and compassion.

Student Activities & Greek Affairs

Student Activities & Greek Affairs (SAGA) offers opportunities for students to connect, learn, and engage beyond the classroom. Through shared experiences students gain a greater sense of self and community to foster positive social change.

Halas Recreation Center

Located in the Damen Student Center, Halas Recreation Center offers a variety of treadmills, elliptical trainers, upright bikes, recumbent bikes, and stair climbers. Halas also features both free weights and has a pool that’s 8 lanes, 25-yards, and reaches 7 feet deep. Halas offers a full Group Fitness Schedule including a variety of cardio, toning, kickboxing, yoga, and Pilates classes.
