Welcome to Loyola!

Your Guide to Campus Life & the City

What began in 2003 as a small guide with just a few local businesses near the Lake Shore Campus has now grown into a comprehensive resource spanning all three Loyola campuses—with around 800 business listings! This student guide is your one-stop shop for discovering everything in and around the Lake Shore, Water Tower, and Health Sciences campuses.

Inside, you'll find listings for everything from delicious restaurants and grocery stores to museums, local shops, gyms, and pharmacies. You'll also get tips on navigating the city via public transportation, accessing health and wellness services, and taking advantage of Loyola student discounts using your Loyola I.D.

Lake Shore Campus

Loyola's main residential campus is located in the Edgewater and Rogers Park neighborhoods on Chicago's North Side. Nestled along the shores of Lake Michigan, it's one of the most scenic university campuses in the Midwest.

Water Tower Campus

Situated near Chicago's iconic Magnificent Mile, the Water Tower Campus offers students unmatched access to Fortune 500 companies, as well as premier internship and networking opportunities. The surrounding area features upscale boutiques, renowned restaurants, and a vibrant city atmosphere.

Health Sciences Campus

Located in the village of Maywood, just west of downtown, the Health Sciences Campus is home to over 980 faculty and 2,200 students. It houses the Stritch School of Medicine, Niehoff School of Nursing, Parkinson School of Health Sciences and Public Health, and various graduate biomedical programs. While undergraduates may have limited interaction with this campus, nursing students may attend clinicals here.

We're excited to have you join the Loyola community—get ready to explore and make the most of your college experience!

You can also find this guide digitally at luc.edu/neighborhood/.

Loyola University Chicago's Campus Guidelines prioritize the safety, health, and well-being of our community. Now more than ever, we are called to care for ourselves, one another, and the broader community.

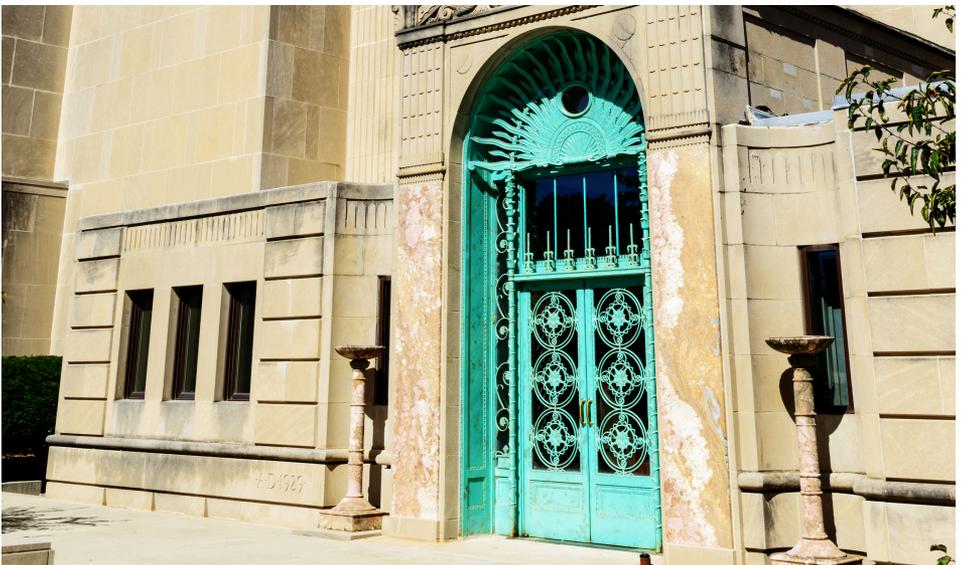

The policies and protocols outlined in this document are designed to support a safe environment while upholding our mission to provide a first-class Jesuit, Catholic education—one that prepares students to serve humanity through learning, justice, and faith.

CURA Network (Care. Understanding. Resources. Accountability)

The CURA Network centralizes all reporting and resourcing for students of concern across the university. Behavioral, academic, personal, equity, Title IX, student conduct, conflict resolution, and general student concerns can be reported using this one website location. Whether you are a local resident, landlord, or business owner, we hope you will assist us in supporting Loyola students living, visiting, or visiting your place of business. Support students by becoming aware of the campus resources and departments to contact should you have any concerns.

There may be times when you will have to report students who may be in violation of the Good Neighbor Policy in the Community Standards. Students may be in violation of this policy if they break the law or cause disturbances, engage in irresponsible or unreasonably noisy social hosting, are disruptive or unruly, cause damage to property, or violate other local laws or ordinances.

Report a student concern luc.edu/cura/.

GETTING AROUND

BIKING OPTIONS

[Divvy Bikes](#)

Renting Divvy Bikes is a wonderful way to explore Chicago. With 600 bike rack locations and 6000 bikes, Divvy is accessible and inexpensive to use.

CAMPUS TRANSPORTATION

[Intercampus Shuttle Service & Tracker](#)

Loyola seeks to provide efficient, convenient, and safe transportation options for students, staff, and visitors. The shuttle stops are located at the South end of the West Quad (Lake Shore Campus) and Corboy Law Center (Water Tower Campus). At the Water Tower Campus, the line for the shuttle forms inside the east doors of the Corboy Law Center lobby.

[8-Ride](#)

8-Ride is a ride service that Loyola students can reserve to get around during late hours. Vehicles will pick up and drop off students in a one-mile radius of campus.

[Loyola Vehicle Rentals](#)

Loyola University Chicago Campus Transportation Department provides vehicles available for rental by qualified, licensed drivers possessing Loyola University Chicago identification.

A Vehicle Rental Form (VRF) must be filled out at least 7 days prior to the requested reservation date. Drivers must complete Defensive Driving and have an acceptable Motor Vehicle Record in order for rentals to be approved.

CHICAGO TRANSIT AUTHORITY

The most accessible methods of CTA transportation for Loyola students are the CTA 147 Outer Drive Express and CTA 151 Sheridan bus routes. The nearest train stop to the Lake Shore Campus is the CTA Red Line Loyola stop while the nearest train to the Water Tower Campus is the CTA Red Line Chicago stop. Students can also take the CTA Blue line to get to the Maywood area near the Health Science Campus.

[LUC CTA U-Pass](#)

The CTA U-Pass is a fare card that grants college students unlimited rides on CTA buses and “L” trains. Once it is determined that a student is eligible to participate in the U-Pass program, students are free to ride the Chicago Transit Authority on an unlimited basis. This unlimited privilege is valid for CTA buses and trains. The U-Pass program is NOT valid for Pace and Metra services.

You do not need to do anything to register for the U-Pass program: as long as you are eligible, you will be able to use your U-Pass entitlement and will see the fee for it (included in your tuition) on your eBill.

[CTA Transit Tracker:](#)

The CTA Transit Trackers enable users to track bus and train schedules as well as additional alerts regarding maintenance or relevant updates.

GETTING AROUND

PACE Bus:

PACE Suburban Bus is the premier suburban transit provider, safely and efficiently moving people to work, school, and other regional destinations. Pace's family of public transportation services offer affordable and environmentally responsible transit options for the residents of 284 municipalities in Cook, Will, DuPage, Kane, Lake, and McHenry counties. The backbone of Chicago's suburbs, Pace serves tens of thousands of daily riders.

Check out [these maps](#) to see where various CTA stops are at the Lake Shore Campus, the Water Tower Campus and the Health Science Campus.
